

VARADERO

VARADERO inspired in a cement tile collection by the 19th century colonial era. Its classic design is evocative of traditional Cuban tiled floors, which are now all the rage. The collection presents 19.8x22.8 hexagonal format in a choice of five different colours (Moonlight, Mint, Grey, Rose and Azure). These can be combined with the POITIERS collection by HARMONY to create unique, highly original settings with a strong colonial charm.

VARADERO es una colección inspirada en el diseño de las baldosas hidráulicas de la época colonial del S.XIX. Su diseño clásico, nos evoca a los tradicionales pavimentos cubanos, en tendencia. La colección presenta un formato hexagonal de 19,8x22,8 que cuenta con un total de 5 tonalidades diferentes: Moonlight, Mint, Grey, Rose y Azure combinables con la colección POITIERS de HARMONY. La combinación de ambas colecciones nos ofrece unos ambientes coloniales únicos al más puro estilo vanguardista.
