El mármol Macchia Vecchia Gold proviene de la zona de Carrara, Italia. Un modelo con fondo blanco marfil y unas intensas vetas grises con reflejos anaranjados. Sin duda, un diseño agresivo y con mucha personalidad para destacar los espacios.

The Macchia Vecchia Gold marble comes from the Carrara region of Italy. It offers an ivory white background and intense grey veining with orangey highlights. It is unquestionably an aggressive design with strong personality for making certain spaces stand out.
