LO STAND SINTESI: PERCORSI DI ALCHIMIE MATERICHE

Materia + Emozioni + Colori + Superfici

A Cersaie 2015 lo stand SINTESI è un suggestivo percorso attraverso le alchimie tra materie, colori e superfici, che hanno portato alle nuove collezioni.

A queste variabili concrete e tangibili, si aggiungono ingredienti "segreti" ed esclusivi: la passione e la preparazione dei nostri tecnici e creativi, indispensabili per trasformare il gres porcellanato in emozioni che sfidano il tempo.

THE SYNTESI STAND: ALCHEMY IN ACTION

Materials + Emotions + Colours + Surfaces

The SINTESI stand at Cersaie 2015 is an inspiring journey through the alchemy of materials, colours and surfaces that fuse to form our latest collections.

These concrete, tangible elements are combined with our exclusive “secret” ingredients; the passion, dedication and expertise of our technical and creative personnel, fundamental to the transformation of fine porcelain stoneware into lasting emotions.
