A mix of different expertise: business and market knowledge, financial and administration competences, team management.

Promptness, accurate service, flexibility, professionalism: a team that take distance from the old concepts of economies of scale (factory/sq mt), and gives to the single person, to its qualities and responsibilities, the main importance.

Un team di giovani professionisti folli e affamati che, grazie ad una passione sconfinata per il mestiere, hanno la missione di rilanciare uno dei marchi storici della ceramica italiana, Ceramica Magica.

Velocità, servizio, flessibilità, professionalità: un team che rifugge da concetti vecchi di economia di scala (fabbrica/mq), portando al centro di tutto la persona umana, le sue qualità e responsabilità.

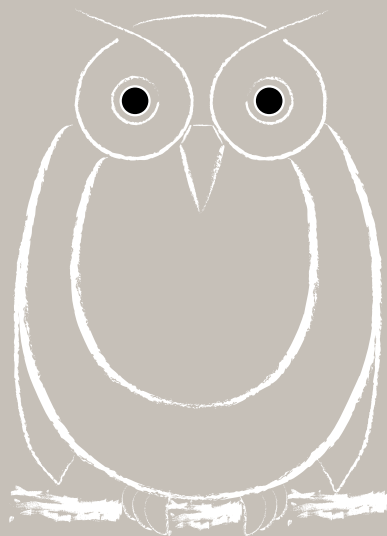

Combattere la mediocrità, ricercare l'eccellenza, lavorare con grande passione: questo è fare business nel 2015!

Un grande gruppo di persone che vuole fare la differenza, con professionalità e stile: questa è Magical1983 srl, e questa è la Ceramica Magica che pensiamo per il futuro.

*"My model for business is The Beatles. They were four guys who kept each other kind of negative tendencies in check. They balanced each other and the total was greater than the sum of the parts. That's how I see business: great things in business are never done by one person, they're done by a team of people."*

*the Owl*

An historic logo, which has always given importance to the Owl: a mindful, silent, great listener animal, a symbol of wisdom and knowledge, magic for both adults and children.

In some of its qualities we find ourselves, and we believed in the importance of bringing back to life a historical element of Ceramica Magica. From now on, the Owl will join us on our journey!

Un logo storico, che ha sempre dato importanza al gufo: un animale paziente, silenzioso, grande ascoltatore. Un animale simbolo di saggezza e conoscenza, magico per adulti e bambini.

In alcune sue qualità ci ritroviamo, e crediamo fosse importante riportare alla luce un elemento storico di Ceramica Magica.

Da ora in avanti il gufo accompagnerà il nostro cammino!
