

CALACATTA BORGHINI

Calacatta Borghini offers numerous formats and different finishes that develop a natural style in its gray and ochre veins, that contrasts and modulates its white base. In addition, the Calacatta Borghini collection seduces, even more so, with the Sauvage decorative set, through a polished shine and plant motifs, almost jungle-like, that retain power, freedom and freshness. All of this forms a complete set of elegance and resistant liveliness for floors and walls thanks to its unmistakable beauty.

Calacatta borghini cuenta con numerosos formatos y diferentes acabados que desarrollan en sus vetas grisáceas y ocre un estilo natural que contrasta y modula su blanco base. Además, la colección Calacatta Borghini seduce, más si cabe, con el set decorativo Sauvage, a través de un brillo pulido y sus motivos vegetales, casi de jungla, que retienen potencia, libertad y frescura. Todo ello forma un completo de elegancia y viveza resistente para suelos y paredes gracias a su inconfundible belleza.
