I formati da pavimento a 9 mm sono disponibili nella finitura matt che ripropone la naturale matericità della pietra. La superficie reinterpreta l'opacità e la gradevolezza della materia di ispirazione, senza alterare la resistenza allo scivolamento o compromettere la facilità di pulizia.

Les formats de sol de 9 mm sont disponibles dans la finition mate qui repropose le mouvement naturel de la pierre. La surface réinterprète l'opacité et le confort du matériau d'inspiration, sans altérer la résistance au glissement ni compromettre la facilité de nettoyage.

Die 9 mm starken Bodenformate sind mit einer matten Oberfläche erhältlich, die die natürliche Beschaffenheit des Steins wiedergibt. Der Belag interpretiert die Opazität und den Charme des als Vorbild dienenden Materials, ohne deswegen weniger rutschfest oder reinigungsfreundlich zu sein.

Los tamaños de pavimento de 9 mm están disponibles en el acabado mate que vuelve a proponer la motricidad natural de la piedra. La superficie reinterpreta la opacidad y la belleza del material de inspiración sin alterar su carácter antideslizante ni comprometer la facilidad de limpieza.

Напольные форматы толщиной 9 мм доступны в матовом варианте поверхности, как у природного камня. При этом приятная фактура плиток препятствует скольжению и проста в уходе.
