TILES CRAFTED FOR
A DISTINCTIVE
INTERIOR STYLE.

TINY TILES BRICKS
INSPIRATION

The collection takes its inspiration from the classic style of brick tile decor to incorporate accent details in your homes and spaces. The tiles and their colors derive their inspiration from earthy and vivid tones, which bring back the rustic elegance of the old times paired with hints of modern details. The collection celebrates various architectural styles through its colors and the dimension that allows a variety of application and decor possibilities for your spaces to reflect upon history and time-honored styles while incorporating modern details at the same time.
