

MARBLE EXPERIENCE

6 mm / 9,5 mm thickness

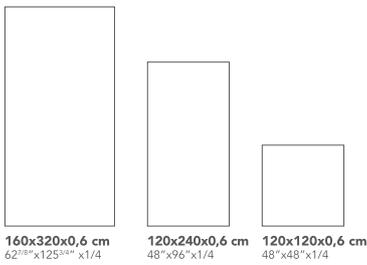

Marble Experience è il riassunto all'interno del quale convergono tre principi essenziali: **selezione dei marmi più ricercati, innovazione tecnologica e materiali esclusivi per la progettazione di superfici uniche.** Attraverso la tecnologia Mega in spessore 6 mm e l'ampia gamma di moduli 9,5 mm, Marble Experience è uno strumento sorprendente e funzionale per la progettazione di superfici originali e preziose.

Marble Experience is the collection within which three essential principles meet: **selection of the finest marbles, technological innovation and exclusive materials, for the design of unique surfaces.** With the Mega technology in the 6 mm thickness and the large assortment of 9.5 mm modules, **Marble Experience is a fascinating, functional tool for designing original, exquisite surfaces.**

Amazing **surfaces project.**

Extraordinary amazing surfaces.

I **Listelli Mix di Marble Experience** rivelano una profonda conoscenza **ceramica** e l'impegno di Italgraniti per raggiungere la **perfezione stilistica**. L'abbinamento tra superfici modella pattern materici che rendono sempre più colto e attuale l'uso del gres porcellanato.

The **Marble Experience Mix Strip Tiles** reveal in-depth knowledge of **ceramic design and production** and Italgraniti's commitment to achieving **stylistic perfection**. The combination of surfaces creates tactile patterns which enhance porcelain stoneware's status as a refined, contemporary material.

SAHARA NOIR

THICKNESS 9,5 MM

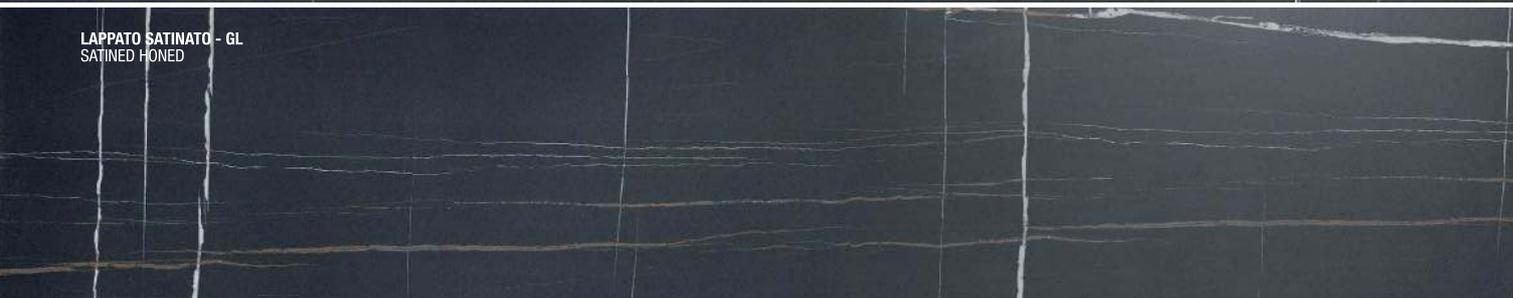

NATURALE - UGL
MATTE

A close-up view of the Sahara Noir marble with a natural, matte finish. The surface is dark with subtle, organic veining in shades of brown and gold. The texture is smooth and non-reflective.

LAPPATO - GL *
POLISHED

A close-up view of the Sahara Noir marble with a polished finish. The surface is dark and highly reflective, showing clear highlights and deep shadows that emphasize the intricate veining patterns.

LAPPATO SATINATO - GL
SATINED HONED

A close-up view of the Sahara Noir marble with a satin honed finish. The surface is dark and has a soft, velvety sheen, highlighting the natural texture and veining.

SPAZZOLATO - GL
BRUSHED

A close-up view of the Sahara Noir marble with a brushed finish. The surface is dark and has a fine, directional texture that creates a subtle, linear pattern across the stone.

RULLATO - UGL
RIBBED

A close-up view of the Sahara Noir marble with a ribbed finish. The surface is dark and features a prominent, vertical ribbed texture that adds depth and a tactile quality to the stone.

LISTELLO MIX
MIX SUPERFICI
MIX SURFACES

A close-up view of the Sahara Noir marble with a mixed surfaces finish. The surface is composed of various rectangular and square tiles, each with a different finish (polished, honed, brushed, or ribbed), creating a complex and multi-textured appearance.
